

## *Christmas 2005*

Dear Family and Friends,

It is with heart-felt gratefulness to God for His many blessings this past year that we send you our Christmas Greetings. The ministry that we have been involved in, through New Tribes Mission, has only been made possible through the countless prayers, financial support, and great encouragement of you whom we consider to be our fellow co-laborers. *"For we are laborers together with God."* 1 Cor 3:9

We are thankful to the Lord for allowing us to all be together for Thanksgiving. The enclosed photo of our family was taken at Thanksgiving. Please use it as a reminder to pray for us.

We are sorry that Mom and Dad Hansen won't be able to be with us at Christmas this year. They have been going to Bibleville in Alamo, Texas, for the last 18 years. They will be spending this Christmas in Wisconsin with other family members. We will greatly miss them coming to Florida.

Our youngest son, David, will be receiving his Associate degree from college in December. Jeffrey has already graduated from the FEAT program (Florida Electrical Apprenticeship Training), and he is just finishing his on-the-job hours after which he will take the exam for his Electrical Journeyman's License. Tim began a new job in Washington, DC this past September, besides doing web pages on the side. Sarah and her family are doing well. Our three year old granddaughter, Kayla, is now a little "chatter-box."

Truly we can tell that we are in a spiritual battle, thus, your prayers are not in vain in the Lord. Health-wise, we have had a good year, with the exception that Linda has been having considerable discomfort and at times, severe pain from what we think are gall bladder symptoms. Thank you for praying. She is eating very carefully, and taking natural supplements to help with this problem.

We are thankful that the 2006 Medical Plan Policy booklet has now been completely updated and is at the printer. We continue to be encouraged in our ministry with New Tribes Mission – in the Medical Plan Office. For those who have access to the internet, please visit us at our newly updated website at:

Our son, David, builds and maintains our website. Our other son, Tim, hosts it. It is our prayer that this website will be a "visual expression" of what is really deep in our hearts; the reason why we are excited to continue on in this ministry of taking the Gospel to yet unreached tribal people around the world. (Acts 4:12)

We would like to close our Christmas letter to you with these encouraging words: Jesus – *"In whom we have redemption through His blood, even the forgiveness of sins."* Col 1:14

May you have a joyous Christmas  
and a blessed New Year!

Joyfully because of Jesus,

*John & Linda McGhee*
