

The Lord is risen indeed!

Luke 24:34

April 2006

Dear Friends,

Happy Resurrection Day!

It's hard to believe that the first week of April is already past and that we are once again in the Easter Season. The trees are all displaying their new growth of pretty green leaves and the flowers and shrubs are ablaze in brilliant colors. Spring—a time of “new birth” in nature is a wonderful reminder to us of the New Birth that Jesus made possible when He died on the Cross, shedding His blood for the remission of sins (Matt 26:28) and then rose again from the grave on that joyous third day. (1 Corinthians 15:3,4)

We are thankful to the Lord for His provision to us this month. Without the faithful prayer and financial support of our friends, we could not possibly remain in this ministry year after year.

Thank you for your faithful prayers for us as we serve in the New Tribes Mission Medical Plan/Life Insurance office. We would covet your prayers as we are right in the middle of the important project of changing the NTM Life Insurance Plan to age-based monthly premiums. Just this past week we sent out a big mailing to each of our missionaries who are serving around the world, informing them of this important change. Now the “real work” begins, as we answer lots of questions and will be entering new premiums and benefit changes into the computers. This will certainly affect our summer travel plans and we are looking to the Lord to show us His will and leading. Thank you for praying for our health as well.

Thank you for your continued prayers for unreached tribal people. Right at this time countless thousands of tribal people around the world are worshiping Jesus, our risen Savior. It certainly is a joy and privilege for all of us to be a part in this “harvest of souls.” Thank you for your partnership with us in this ministry. Have a wonderful day.
