

*For unto you is born this day in the city of David  
a Savior, who is Christ the Lord.*

Luke 2:11

Christmas 2006

Dear Friends and Family,

The wonder that began that first Christmas morning when Jesus was born in the City of David, still stirs the hearts of all believers throughout the ages. May this Christmas once again remind us of the love of God and the wonderful salvation that He has purchased for us through the blood of His Son, Jesus Christ, our Savior.

We are very thankful to those who have been co-laborers together with us this past year, through their prayers and financial gifts of support. We are thankful to the Lord for each one, whose support of our ministry with New Tribes Mission, has allowed us to continue on in this work—thank you!

Thank you for praying for us as well. In our last Thank You letter we asked you to please pray that the Lord would provide a man to be a backup and co-worker in our busy NTM Medical Plan office. So far we don't know of any prospects, but our Mission leadership has informed us that they are now actively looking for someone. The past few months have been perhaps the busiest that we have ever experienced the past 33 years with NTM and we therefore continue to trust the Lord for a man to give us a hand and share some of the workload. Please continue to pray for the many tribal people around the world who have not yet had an opportunity to trust in Jesus as their Savior. Praise the Lord for those who came to know the Savior during 2006, that they will be grounded in the Word of God and have a desire to reach out to their own people with the Gospel.

On the home front, we have much to be thankful for. Mom and Dad Hansen are doing quite well these days after Mom came home from the Rehab Facility. You will remember that she had a stroke back in June. It continues to be a joy for us to have Sarah and her family living so close, here in Sanford. Kayla had her 4<sup>th</sup> birthday in October. Tim still lives in Alexandria, VA and hopes to be with us for Christmas. He is praying for another car as this is an urgent need. Jeffrey has been promoted to Project Manager at Palmer Electric. He is one of the youngest Project Managers in his company's 55 year history. David is now a student at the University of Central Florida as well as working full-time at K&K Electric here in Sanford. Our children continue to be a joy and blessing to our hearts and we are thankful to the Lord for each of them. We have enclosed a photo of our family, as a prayer reminder. Thank you for praying for us all these days.

In closing, we thank you once again for the blessing and encouragement that you are to us in our ministry. May we be challenged and refreshed anew, as laborers together, we have the privilege of serving Him during 2007.

Have a Merry Christmas and a Happy New Year!

All because of Calvary,
