Dear Friends in Christ at Medinah Baptist Church,

Greetings from John & Linda in Sanford.

We wanted you to know that we do pray often for you. Thank you for your prayers for us as well. We are also very thankful to the Lord for the generous gift of support that you kindly send to us each month in support of our ministry with New Tribes Mission.

Thank you for praying for Linda. She is doing much better! No reoccurrences of anything, and she is stronger than she was. We just know the Lord was holding her by His right hand through all she has gone through. We are thankful for our Medical Plan and for good doctors! Again, thank you for your prayers.

John is keeping well, and soon we will be working on the Medical Plan Policy for any changes for 2007, which we trust will be few! Both of us keep very busy in our insurance office. Thanks for praying for us, and we continue to pray for you!

Our children are doing well. Tim, our oldest son, living in Washington, D.C. may come down this week for John's birthday! Sarah, who lives in Sanford also, with her husband and little daughter, Kayla, we get to see pretty often. Kayla will be four years old this week! Sarah works for the City of Sanford in one of the offices there.

Jeffrey continues to work for Palmer Electric Company, located in Winter Park, FL, and has been promoted to "Project Manager" for two sub-divisions. David, our youngest, has now transferred to UCF (University of Central FL), and is majoring in Computers. He continues to work for K&K Electric Company in Sanford as their IT Professional.

Thank you once again for your prayers for us. Be assured of our prayers for you as well.

## Thank you for praying!

Dear Praying Friends,

Thank you for praying for Linda's Mom and Dad the past three months. As we have written to you in a past prayer letter, Mom suffered a stroke on June 19<sup>th</sup> and has been in the Rehab Center after spending the first five days in the hospital. She was a real "trooper," as she worked hard in physical, occupational and speech therapies each weekday. We are very thankful to tell you that Mom came home from Rehab this past week. The Lord has wonderfully sustained Dad during this time. He spent every day with Mom the entire 3+ months. The Lord has wonderfully given them His strength.

We know that they would appreciate your prayers in the days to come. Please pray that Mom will continue to gain her strength back in her right arm and leg. Pray that she won't fall, as she uses her walker around the house. Please pray for Dad as he will be very busy each day in helping Mom and doing many of the chores around the house. Your prayers are appreciated!
