February 2008

Dear Family and Friends,

We trust that this letter finds you keeping warm and well.

It is with heartfelt thanks that we write this letter to you – thank you for your partnership with us in our ministry through New Tribes Mission.

First of all, thank you for praying for us. We are ever aware that we are in a spiritual ministry and the enemy would like to discourage us as we serve the Lord and our fellow missionaries in the Medical Plan office. Just this past week we were “broad-sided” by an IRS Rule that we previously weren’t aware of to do with the Medical Plan. Informing hundreds of our missionaries of this important change has and will take considerable time and effort and we are very thankful to the Lord for His daily Grace and Strength. Thank you for your prayers.

We are also very thankful to the Lord and to you for your gifts of support which are greatly appreciated. Thank you for being so faithful.

We know that you will praise the Lord with us, that during this very month of February, many tribal people around the world will hear the Gospel message for the very first time. Thank you for your eternal investment in the hearts and lives of these dear tribal people.

All because of His great *Love*,

John & Lin
