

*"Thy Word is a lamp unto my feet,  
and a light unto thy path."* – Psalm 119:105

*Jesus said, "I am the light of the world."* -- John 9:5

July 2008

Dear Friends and Family,

What a wonderful blessing to have God's precious Word in our own language! We rejoice that many tribal New Testaments and portions of the Old Testament are being worked on as we write this letter to you.

Thank you for allowing the Lord to use you, as part of the team of those who are taking the Gospel to tribal people around the world through the ministry of New Tribes Mission. We are encouraged that the Lord has opened up the door for ministry in a country in SE Asia. A team of missionaries is already studying language in this country. Also, three of our Canadian missionaries just recently did a survey on Baffin Island, which is located just to the west of Greenland. Further survey work among the indigenous Inuit Eskimos who live in many isolated coastal communities on Baffin Island is planned in the near future.

We are thankful to the Lord for those who support us financially each month, making it possible for us to serve in our ministry through New Tribes Mission. What a blessing from you and from the Lord! Thank you for your faithful prayers for us as well.

We seem to be especially busy so far this summer in the Medical Plan office and would greatly appreciate your prayers. The transition over to the Medical Plan's new PPO (Preferred Provider Organization) network of medical providers, on of January 1<sup>st</sup>, has not gone as smoothly as we would have liked and we have a lot of extra work, but we know the Lord is faithful!

We pray that you are encouraged in the Lord these days. Be assured of our prayers for you. Have a wonderful summer!

All because of Calvary,

*John & Linda*
