

*Therefore, my beloved brethren, be
ye steadfast, unmovable, always
abounding in the work of the
Lord, forasmuch as ye know that
your labor is not in vain
in the Lord.*

1 Corinthians 15:58

June 2008

Dear Family and Friends,

We have enclosed with this letter a little card called, *Making a Difference, One Life At A Time!* We hope that you will take the time to read it. It is a wonderful illustration that reminds us that what we do each day, whether it is “big” or “little,” can be used by our Heavenly Father to bless and encourage others. Thank you for allowing the Lord to use you in being an encouragement and blessing to us. We are thankful to those who faithfully pray for us and who send us gifts of support.

As we consider the vast mission fields around the world, that are “*white already unto harvest*” (John 4:35), the task before us seems “impossible.” Millions upon millions of unreached people live and die without having once heard the name of Jesus. And yet, like the little boy on the beach who faithfully tosses one more starfish back into the ocean waves, and tells the stranger that “I made a difference to that one!” we, too, can find our enablement from the Lord that “*our labor is not vain in the Lord*” as we faithfully do our part in reaching others with the Gospel.

We are happy to tell you that a couple we knew during the Mission training are busy teaching God’s Word to the Guanano tribal people from South America. We would appreciate your prayers – that many Guanano people would come to know Jesus as their Savior and grow in Him.

On the home-front, we just had a Reception/Open House for our son, Jeffrey, and his new bride, Stefanie, in which many of our New Tribes Mission friends in the Sanford area attended. Jeffrey and Stefanie have now been married for over a month and are very happy together.

In closing, we thank you once again for being such a wonderful blessing to us.

Joyfully in His service,

John & Linda McGhee
