Our Faithful Friends and Family,

Greetings from your co-laborers, John and Linda McGhee!

We thank the Lord for your prayers and support of our ministry with New Tribes Mission. You constantly remind us of the Lord's faithfulness and of your love and kindness to us.

We read in God's Word *that "...your (our) labor is not in vain in the Lord."* 1 Cor. 15:58 What an encouragement to realize that what we do in this life, in our service for Him, counts for all eternity. There will be people around the Throne of Grace with whom we have had the privilege of being a part in taking the Gospel to them.

Just last month when the NTM missionaries arrived back in the **Banwaon** village in the **Philippines**, after their furlough, they found the believers gathered together worshiping God and praying for them.

The Banwaon believers have demonstrated their spiritual maturity in many ways. They have diligently worked with the missionaries to translate God's Word into their language. Their desire to have God's Word helped them stick to the task.

Another evidence of growth and maturity is that the Banwaons are teaching more than 20 Bible lessons each week. The classes are taught at various levels. Evangelistic lessons are taught in a number of areas, new believers are being disciplined and more mature believers are studying verse-by-verse through the book of Luke. Each month the classes meet together for a time of worship and teaching.

Praise the Lord that the Gospel of the Lord Jesus Christ has been taken to another unreached tribe for the first time. There will now be Banwaon believers in Heaven!

"...thou wast slain, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation."

Rev. 5:9

Thank once again for your prayers for us in the Medical Plan office. We are looking forward to the new family joining our office in August.

Joyfully in His service,

John & Linda
