

*"Faith cometh by hearing,
and hearing by the Word of God."*

Romans 10:17

March 2012

Dear Friends and Family,

The leaves are sprouting on the trees, forcing last year's leaves to fall to the ground; we think that winter is just about over here in Florida. This winter has been more mild than the last few years for which we are thankful.

Thank you so very much for your support. To us, you are a gift from God, for which we praise the Lord. Thank you also for praying for us in our ministry. We and our family are doing well.

Due to the Affordable Care Act, which is becoming more and more complicated *and* expensive, we are just now in the final stage of completing the 2012 Medical Plan's Policy. Once it is finalized, it will be printed as well as uploaded to our members' New Tribes Mission website. We are also beginning to work on the Communication Project for our missionaries; we want to better communicate important information about NTM Medical Plan benefits, the NTM Life Insurance policy, as well as the Medical Emergency Evacuation Insurance that is available to those serving overseas.

We recently read that many of the Bulongish people of Guinea, West Africa, are eagerly listening to *Firm Foundations* Bible lessons and are becoming more and more intrigued with the God of the Universe. Months of teaching chronological Bible lessons from Creation to Christ in the Bulongish language wrapped up in mid-December. The missionaries are now reviewing Old Testament prophecies and examples relating to the Messiah, and showing how they point to Jesus, as a follow-up to the initial Bible teachings.

Praise the Lord that, at this very time, God's Word is being taught to this tribe. Please pray that these dear Bulongish people will grow in their understanding of who God is and His great love in sending Jesus to be the Savior of the world.

In closing, we once again thank you for your prayers and your kind and generous support for us.

All because of Calvary,

John & Linda
